PRESENTS THE

KANILLIO

FOREWORD

To the Students of Kansas High School

May the memories of this past year often flow through your minds like a song. Its gay tune was formed from your laughter, joy, and friendliness. We invite you to listen to the music again in years to come as you glance through the pages of this yearbook. Here again you will find your teachers, friends, classmates, and your school.

DEDICATION

We, the Kanillio Staff of 1964, dedicate this yearbook to Mr. Howard Eads for his seven years of service to Kansas High School students. He not only has taught industrial arts, but he has also risked his life many times in the Driver's Training car and has sponsored the senior classes on their trips. We are grateful for his willingness to contribute his time and energy to our school.
